

Outlook on WAKE FIELD ACCELERATION: The Next Frontier

15-16 October 2015
CERN GENEVA
www.izest.polytechnique.edu

Topics:
Laser Acceleration
Cosmology
Ultrahigh Intensity Laser Tech.
Space Debris and Remote Sensing
Medicine

IZEST
International Zeta-Exawatt Science Technology

Contact:
dirizest@polytechnique.fr

Organizers:

T. Tajima University of California Irvine,
École polytechnique
G. Mourou École polytechnique
B. Holzer CERN
